

RIO COMMUNITY SCHOOL DISTRICT CENSUS INFORMATION

Federal legislation requires school districts to identify all children from birth to 21. Even if your child/children attend school in another school district or are home schooled we would appreciate the information. If you do not have children residing with you, please indicate that on the form and return it as well. Your response to the questions below will help us to obtain this information and plan programs for children.

To help us facilitate the taking of the school census, we are asking that all residents new to the school district and all residents having had babies in the last year or so, please fill out a census form listing all children in the district. Please bring or send the information to the Administrator's Office at 411 Church Street, Rio, WI 53960. Thank you for assistance.
